

Salt River Fire Department Operating Guidelines

Training Guidelines at Talking Stick Resort

OCT 2012

209.07

1 of 1

PURPOSE

The Salt River Fire Department recognizes the value in training on-site at Talking Stick Resort (TSR). Therefore, the purposes of this SOG are:

To establish guidelines for utilizing Talking Stick Resort for on-going fire department operational training.

To maintain our positive relationships with the TSR staff at all levels..

To limit the impact of the training on the resorts daily operations.

POLICY

Training may take place at TSR only in the months of **November, December, June, July, or August.**

Training can only take place on **Monday, Tuesday, or Wednesday.**

To schedule training:

- Request must be made to the Deputy Chief of Operations, who will approve the type of the training
- The training request will then be forwarded (by Deputy Chief of Operations) to Bruce Tunnickliff (TSR Security) for approval
- There must be a minimum of a two-day notice for the use of the TSR facility for training purposes. 1 week notice is preferred.
- Critical Training request (outside the months or days identified) may be considered, however will require the approval of the SRFD Training Division, and Bruce Tunnickliff.
- Special considerations (outside the requirements) may be considered when the Casino is included in the training

TSR Impact

All efforts will be extended to limit the impact on the operations of TSR

- Hours and types of training will be considerate with the operations of the facility
- Parking and placement of apparatus and equipment will take in consideration the visibility of the training evolution (consider parking at FS293 or in the loading dock area).
